KARLIS VARSLAVOVS

varslavovs.karlis@gmail.com

Deventer / Netherlands

0613375164

I am an energetic and aspiring student, bringing experience that spans from client service to team management as the Chairman of a Study Association. I have a extensive history of establishing networking opportunities and developing lasting relationships at both my previous workplaces and within my university. I also do a number of passion projects outside of my courses, that teach me variety of coding languages and frameworks.
